

# CALL FOR PAPER

2019 The 2nd International Conference on Intelligent Control and Computing (ICICC 2019) is the main annual research conference aimed at presenting current research being carried out. ICICC 2019 will be held in SCUT, Guangzhou, China during 12-14 January, 2019.

## Topics

include but are not limited to:

- |   |   |
|---|---|
| Autonomous Systems                              | Intelligent Robots                        |
| Decision Support Systems                        | Intelligent Vehicle Control               |
| Learning and Adaptive Control Systems           | Aerospace Applications                    |
| Intelligent Fault Detection and Identification  | Other Applications                        |
| Intelligent Control Theory and Applications     | Information Security & Computer Forensics |
| Network Intelligence and Network Control        | Cloud Computing and Big Data              |
| Hybrid Intelligent Systems                      | Green Computing                           |
| Neural Networks Based Control Systems           | Signal & Image Processing                 |
| Fuzzy Control                                   | Artificial Intelligence                   |
| Mechatronic Systems and Optimization Algorithms | Human Computer Interaction                |
| Industrial Networks and Automation              | Mobile Technologies & Mobile Web Services |
| Environmental Monitoring and Control            | Remote Sensing                            |
| Process Control                                 | IP Mobility Protocols                     |
| Intelligent Manufacturing Systems               | Communications Software and Services      |
| Microprocessor-based Control                    | Ubiquitous Computing                      |
| Motor Control and Power Systems                 | Internet Applications                     |
|   | Virtual Environments and Social Networks  |

## Conference Committee

### Conference Chairs

Prof. Chun-Yi Su, Concordia University, Canada  
Prof. May Huang, International Technological University, USA

### Program Chairs

Prof. Hailong Pei, South China University of Technology, China  
Prof. Jinlong Lin, Peking University, China  
Prof. Quang Ha, University of Technology Sydney, Australia  
Prof. Alvin Y. Chua, De La Salle University, Philippines  
Prof. Xuelin Lei, East China University of Science and Technology, China

### Local Organizing Chairs

Prof. Shilu Dai, South China University of Technology, China  
Prof. Chenguang Yang, South China University of Technology, China

## Brief Schedule

- |                |             |  |
|----------------|-------------|--|
| <b>Jan. 12</b> | 10:00-17:00 | Registration-Collecting Conference Materials |
| <b>Jan. 13</b> | 9:00-12:00  | Opening Remarks & Invited Speeches           |
|                | 13:00-18:00 | Oral & Poster Presentations                  |
| <b>Jan. 14</b> | 9:00-11:00  | Social Event                                 |

## Proceedings

Papers submitted to the conference will be reviewed by at least Two reviewers. All accepted and presented papers will be published by Conference Proceedings, which will be indexed by **Ei Compendex** and **Scopus**.

## Contact

Ms. Tina T. Wong  
Email: [iciccCONF@163.com](mailto:iciccCONF@163.com)  
Tel: +86 13980062041 (English & Chinese)

## Important Dates

Submission: **Nov. 25, 2018**  
Notification: Dec. 5, 2018  
Registration: Dec. 15, 2018

## Submission

1. Submit abstract or full paper to [iciccCONF@163.com](mailto:iciccCONF@163.com)
2. Please log in the Electronic Submission System to submit your paper (.pdf only)
